

2015 Cheer Bylaws

Dear Coach/Volunteer:

It is an honor and pleasure to welcome you to the Detroit Police Athletic League's 2015 Cheerleading Program. Detroit PAL is pleased that you have chosen to volunteer your time and commit yourself to providing our young women with the guidance and leadership they need to become healthy adults. It is because of your service commitment that Detroit PAL is able to maintain a well-rounded, quality program that contributes to the physical, mental, and emotional well being of its participants.

Over the years, your commitment to bringing out the best in the young ladies who represent your organizations has been obvious, as year after year they continue to present spectators with exceptional performances both during the season and at competition. We commend you on this accomplishment, and encourage you to continue your efforts. In addition, however, we ask that you keep in mind that while it is important to develop in these young women the intense will to succeed and win, it is equally important to instill in them the philosophy that success and winning should not come at the expense of good sportsmanship. In 20 years, these young women will be less influenced by whether they won or lost, then by the lessons you teach them about life.

To that end, we thank you for the service you provide and hope that you and your organization enjoy the exciting and challenging season that lies ahead.

Thank You,

Glenda Stancil
Detroit PAL
