When kids are surveyed about the reasons why they play sports, the number one response kids consistently report is **to have fun**. It is in this spirit that we have created the following Parent's Code of Conduct.

*As a parent, it is important that you:*

- 1. Respect the game, including your child, his/her teammates and opponents.** This means ensuring that your child attends and comes prepared for all practices and games and treats both teammates & opponents with dignity & respect.
- 2. Cheer whenever possible, and stay away from booing and other negative fan behavior.** Stay focused on positively supporting the children at all times.
- 3. Respect the officials.** It is important that you respect all officials and develop tolerance skills for when bad calls are made. Children look to you on how to act and will feed from your energy.
- 4. Let the coaches coach.** The job of being a coach is an incredibly challenging task, so support your child's coach as much as possible. And remember, all of our coaches are volunteers who have sacrificed their time to invest in your children.
- 5. Watch for the safety of all players at all times, including physical and emotional dangers.** Be sure to pay attention to injuries, including concussions & youth burnout and respond to them in a timely manner.

**Detroit PAL's #1 focus is the kids at hand and we thrive on providing a positive, safe and fun environment for them.**  
Thanks for helping us make that happen!
